Upon request, the insolvency of the charter yacht operator can also be included – please find further information in the box to the right.

INSOLVENCY CLAUSE

Many charter companies conclude rental contracts which are not subject to compulsory insolvency insurance under German law because the charter company is not a tour operator. Therefore, the usual confirmation regarding insolvency insurance is not issued. This gap in insurance cover can be filled by arranging our Insolvency Insurance: **protect yourself against financial loss arising from the charter yacht operator's insolvency or bankruptcy.**

IMPORTANT

The insurer is discharged from his obligation to provide insurance cover if this insurance is concluded later than the following: Booking up to 4 weeks before travel start immediate conclusion required (at the latest up to 1 day after booking) / Booking up to 8 weeks before travel date conclusion of travel cost insurance (RRKV) 14 days after travel booking / Booking up to 12 weeks before departure conclusion of RRKV up to 28 days after booking / Booking up to 16 weeks before departure Completion of RRKV up to 42 days after travel booking / Booking up to 24 weeks before departure Conclusion of RRKV up to 70 days after travel booking / Booking more than 24 weeks in advance, conclusion up to 84 days after travel booking. The additional corona quarantine protection takes effect from 14 calendar days after conclusion of the insurance. Due to technical insurance reasons we offer this products only for **residents of EU member states (except Cyprus, Malta and Slovakia).**

Upon Request: Insolvency Clause optional

in addition to the General Terms and Conditions of Travel Cancellation Insurance

Many charter companies conclude rental contracts which are not subject to compulsory insolvency insurance under German law because the charter company is not a tour operator.

Alte Leipziger Versicherung AG gives an undertaking to compensate the charter fee paid by the charterer in the event that the yacht, or an equivalent vessel, is not made available to the latter because a petition has been filed for the opening of court bankruptcy proceedings or such a petition has been rejected due to lack of assets on the part of the operator or the operator is insolvent.

The charterer must demonstrate that he/she has concluded a valid agreement for hire of the yacht and that he/she has made payment of the charter fee as due.

IMPORTANT INFORMATION:

The charterer is not entitled to payment of compensation under this insurance where a yacht other than the one booked is provided to him.

The policy holder is required to inform the insurer of the agency's/broker's or the charter operator's insolvency immediately upon becoming aware of the fact.

The insurer's obligation to pay compensation for claims of the same cause is limited to a maximum of EUR 1,0 Mio. in respect of all rightful claimants. Where this maximum figure is exceeded the insurer will pay out compensation on a proportional basis.

With respect to every insured event the Charterer will himself pay 20 percent of the loss to be compensated.

All other insurances, such as compulsory insurance for tour operators, will take precedence over this insurance cover (subsidiary cover).

As with insurance of travel cancellation costs, the full cost of the travel must be insured.

IMPORTANT

Please always make sure to cover the total sum of costs. Example: If 1000 Euro are insured, but the total charter costs amount to 1050 Euro, the insurance only pays pro rata.

For more than 12 crew members please give us a call at +49 (0) 40-36 98 49 - 49

INFO

Due to technical insurance reasons we offer this products only for **residents of EU member states (except Bulgaria, Cyprus, Malta and Slovakia).**

Upon Request: Additional Corona-Quarantine-Protection optional

in addition to the General Terms and Conditions of Travel Cancellation Insurance

Our travel cancellation insurance (according to the General Conditions for Travel Cancellation Insurance, ABRV) covers the costs of cancelling a booked charter trip due to unexpected severe illness. Also in the event of a pandemic and a following infection, the insurance covers the costs. Interventions by high authorities and thus also the consequences of quarantine orders are excluded, however, and can only be covered with this supplementary insurance.

By closing our travel cancellation insurance, you can now insure yourself and your crew with an additional premium against the consequences of a COVID-infection in connection with your booked trip and the applicable COVID-19 (SARS-CoV-2) quarantine measures.

Insurance coverage exists only under the condition that the quarantine was ordered by official medical instruction, for example by the responsible health office or another authorized authority. Insurance cover also exists if you or a crew member are suspected of being infected or are infected with the coronavirus, and for this reason transportation is denied

by authorized third parties (e.g. airport staff) on the day of the return journey (end of journey).

TWO EXAMPLES IN WHICH OUR TRAVEL CANCELLATION INSURANCE INCL. ADDITIONAL COVID-QUARANTINE PROTECTION PROVIDES COVERAGE:

Men's tour – In the Caribbean, a test must be made after 5 days. Two crew members are positive, the entire crew is put under quarantine. No one falls ill, there are no or only extremely mild symptoms. The boat must be delivered 2 days later, but the ordered quarantine applies to the entire crew for at least 5 days. The additional costs for accommodation in a suitable hotel and flight rebooking will be paid by the insurer in addition to the trip interruption costs within the scope of agreement.

A family with two children is looking forward to their summer trip aboard a chartered yacht. Before departure, a test is carried out, one child is tested COVID-positive. There are no symptoms, but the airline refuses to let the child board. The

child has to go into quarantine at home. The insurer pays the entire cancellation costs for the family under the scope of the agreement.

Please note: This additional insurance takes effect from 14 calendar days after conclusion of the insurance.

IMPORTANT

Flight, hotel or additional transfer costs, will only be reimbursed if they were also included in the sum insured.

You will find the relevant premiums and further information on how to arrange this insurance on the following pages.
